

Laynhapuy Homelands Aboriginal Corporation

Community Development Officer

Laynhapuy Health is looking for a Community Development Officer to join our team.

Working with a skilled and committed multidisciplinary health team, this position aims to build the capacity of the community and support individuals through integrated, strengths-based and community centered programs delivered in remote Homelands.

A requirement of this role is that you must be able to travel either by road or light aircraft to remote locations and stay in the homelands overnight. For further information or to obtain a position description contact Ebony Tinirau on 08 8939 1860 or email health.admin@laynhapuy.com.au.

Applications close COB 16th November 2018.
